# STUDYING FOR A PUBLIC SERVICE EXAM

More than just studying

FLORIDA OBERTA

More than 1000 hours before actually studying

Time spendt creating study materials

Before real learning even begins

KEY POINTS:

TURNIN NOTES INTO SUMMARIES

CREATING SUMMARIES, FLASHCARDS AND TEST

REPEATING THE PROCESS FOR MONTHS OR YEARS

THE PROBLEM

Preparing an exam is not just studying

Candidates spend months preparing
materials instead of focusing on learning

FLORIDA OBERTA

THE OPORTUNITY

An all-in-one study app designed for public service exam candidates that transforms their own notes into personalized study materials, saving time and improving learning efficiency.

TIME-SAVING

Automatically generates study materials from notes, reducing hours of manual work.

PERSONALIZED

Candidates choose how they want to study: flashcards, mind maps, summaries, tests, or mnemonics.

FLEXIBLE METHODS

The same topic can be studied in different ways, depending on the learning moment.

FOCUSED SOLUTION

Built specifically for exam candidates, not generic study tools.

THE PROJECT

An app designed for public service exam candidates that transforms their notes into personalized study materials.

**GIVING TIME BACK TO CANDIDATES SO THEY CAN FOCUS ON STUDYING.**

HOW IT WORKS
